

A. She was in the hall. I don't remember as he went into her room. He may have.

Q. It was on the female side was it

A. Yes sir.

Q. You never knew any body ~~else~~ <sup>else</sup> except attendants to come up that way before or after? A. No, sir, I never opened the door to them.

By Dr. Butler:

Q. How long ago did this thing happen

A. I don't remember.

Q. Soon after you came there A. Yes, very soon

Q. This door led right out in front of the engine house and laundry, right close by the walk A. Yes sir.

Q. It is right close to the public walk is it A. Yes sir.

Henry M. Barlow, recalled

By Mr. Baker:

Q. Do you remember the time when Mrs. Butler had the marks under the eye from the accident A. Yes, I remembered it.

Q. When did you know it first? A. The next forenoon in the course of my daily
