

11:40 I tell you that the other he took things
I got into the Purse to be much and - from
I don't believe me in history

and halted. One of the Eskimos.
came forward with a scalp elevated
in a stick. About half way between
the two tubes he set up the stick
in the snow. A Purse set
his gun & planted his stick
near y. They rolled rods
then roles saying you dogs.
Then they retreated to their
sides & the battle fronts advanced
within arrow shot.

Disparate fighting of the hour.

My chief wounded - leg cut &
arrow. Ran back & Purse's retreated
All chief beat his son with his belt
sincere, but seeing the arrow pulled
it out. My son renewed the fight
his bow string broke but his father
bent his bow. Purse's soon
after that & killed all Eskimos but
one. Then they took him & Altham when
him good. Then cut 70 rods used sent to
in how with a messenger & the
 Eskimo chief.
