

Father once accused Sebath of being drunk. Sebath drew himself  
up stuffy. "How you say cut, many - that Sebath's Solomon  
she's drunk, cause she can't be did!"

He was one of those who ran Carnation Falls  
He also stole Hilton's boom and/or because it  
"looked like P. L. D."

One old note says Sebath Solomon was half brother  
of Sebath Gray + Louis Ketchum + a cousin to Joe Francis but  
I am not sure of this being correct. I do know that there  
were three Francis who were illegitimate sons of the wife  
of Mitchell Francis, who had one legitimate son Vincent(?)  
Francis, who was dull + stupid while the other were all  
smart men - Sebath Solomon was a cousin of Joe Francis

Horace Francis(?) one of them. Of his death see later  
under Joe Mitchell, p. 103, 104
