

N.B. — All these Lots which are marked against the numbers with a X, and those numbered with Letters, are vacant on the plan, excepting where marks of Letters appear on those Lots in the plan, which letters denote, that some persons have sett down on part of the said Lots but the particular quantity taken up by each not ascertained — And all the other Lots are taken up and occupied by persons whose names are set down on the Lots in the plan, and in a Book call'd the explanation of said plan, taken by the Committee appointed to bring in a medi-
 & division of the above Lands — It is also to be observed that the 39 lots mark'd from A to Y inclusive are within the Incorporation limits of Cox hall, although belonging to this property, and although the plan does not describe these lots as taken up, yet it may reasonably be supposed that many of them are —
