

Q. Is it good enough for you?

A. Such as I eat.

Q. Is it good enough for your family? A. Yes sir.

Q. Am I to understand that the bread you yourself personally consume is cooked in the same batch, at the same time and of the same materials as that that goes into all other parts of the ~~house~~ hospital?

A. It is.

Q. And you consider the bread good enough? A. The brown bread and the white bread.

Q. And the sweet bread? A. Yes sir.

Q. It has been satisfactory? A. Entirely.

Q. Was the quality of the meats usually been good? A. ~~Entirely~~. It has been good.

Q. You know this? A. I know it with the exception of one or two cases that have been spoken of.

Q. Have you known other cases not spoken of where it was not good? A. I have not.

Q. It seems that the prosecution has been able to find all the cases? A. I think so.

The quality of the sugar tea coffee and all other kinds of goods that go into use
