

20.

the outside— the votes were counted.

The return from Dubec was signed by, but one Selectman on the inside; but the certificate on the outside was signed by two of them, and properly attested by the Town Clerk— the votes were counted.

The return from Prenton was signed by but one Selectman on the outside; but by two of them on the inside, and properly attested by the Town Clerk— the votes were counted.

The return from the plantation of Swan's Island was not signed on the outside by the Apesons, but signed by them on the inside, and attested by the Clerk— the votes were counted.

By the return of the Selectmen of New-
-ny, it appears that thirteen votes, Govern-
-or were received by them from the inhab-
-itants of an unincorporated place called
"Andover West Surplus" and three votes from
the inhabitants of a township called
"Holmes" or "Needsville." By the return
from the Selectmen of Liveries, it appears
that six votes were received by them from the in-
-habitants of an unincorporated place called
"Haynesville," and two votes from the inhab-
-itants of an unincorporated place, called
"Township" "A" in the second range of townships
west from the east line of the State?— By the
return from the Selectmen of Springfield it
appears that thirty two votes were received by
them from the inhabitants of "East Spring-
-field."— By the return from the Selectmen of
Burlington, it appears that eight votes were
