

both by day and night than that in the other halls.

Ans. Yes sir. I have noticed that fact.

Ques. I asked you before whether as night watchman you went round every hour and if you found anybody in the lodge rooms that needed more clothing you gave it to them; is there another man that does the same thing.

Ans. Yes sir, C. N. Leburn. I start on the hour and he on the half hour.

Ques. Whenever you find anybody that needs clothing you give it to them. Ans. Yes sir.

By Mr. Butler

Ques. This is a record beginning Jan'y 14th; did you keep any record before that. Ans. No sir. I always reported to Dr. Harlow in the morning the temperature during the night.

Ques. When you went the rounds did you generally go and examine each patient in the lodge rooms. Ans. Those that were apt not to keep covered I used to.

Ques. Were there many in the lodges that were put in and covered; you went round to see if they wanted more covering. Ans. They were properly covered when they were put to bed in the lodges.

Ques. What notice would you get when they wanted more
