

The Malicees were at this fork also
Dredging 7 miles below ~~Booths~~
just after close of winter season -
My one ^{dancing} outside the fort, &
heard a woman's voice faintly say,
Wahauh! Wahauh! One hastened
to the rim & saw a square in a canoe.
He said that they had been up
at Jemisconata Lake & 500
Wahauh came with their
canoes. ~~They~~ Her family had been
encamped near the outlet, were
surprised, husband & children ^{murdered}
& she said so - quite; put in a canoe
between 2 chiefs. She signalled - perhaps
in the delta Malouche R. near the St. Johns
She told them there were no more falls &
the warriors fell asleep. She led them, with
her to Grand falls - paddled canoe in
with her husband & pushed it out into current,
The gun was Malicees bar up as they went on - & received
in a canoe that was when
